Governor's Message

Isn't it great to be a Pilot? Our NC Pilots are always volunteering their time and resources towards meaningful service projects. Camp Carefree, our NC District project, gives our clubs the opportunity to work in unity to support a worthwhile event. How is your club helping this year? Your NC DAC and ECR are sponsoring a camper, and providing 40 welcome bags for the volunteers at camp. The Fayetteville Club graciously agreed to purchase the decorations for the Sock Hop on Friday night, along with sponsoring a camper. How can your club help? A few suggestions include: sponsor a camper for \$150.00, provide BINGO prizes, provide canvas bags for arts & crafts, volunteer at camp. The deadline for donations/registrations is August 19th. Go to www.bianc.net and click on "Events" for details. If your club would like to do more, please call me for other ideas.

It is a GREAT day to be a Pilot!

Governor Dee Ann Stafford

Homework for Club Presidents

Club Presidents, how are your homework assignments coming along? Remember to bring your club business card to Fall Workshop. Prizes will be awarded for creativity.

Also, have you completed your elevator speech skits? Remember, this skit will be performed at your August meeting. Send Governor Dee Ann a copy of your skit so she can select 2 that will be showcased at Fall Workshop.

Thoughts from the Chaplain

Another year lies before us like an unwritten page. How this page will be filled will largely depend on us. What treasures will we gain in exchange for our time? What will we find along the way? The beginning of a new year always signals a time for new opportunities. This year, opportunities that you've never experienced before will be available to you. We will soon congregate in Dallas, Texas for our annual meeting. Take advantage of each opportunity to renew friendships and to make new ones. Take advantage of each new opportunity to be inspired to make yourself and Pilot better.

"Climb Till Your Dream Comes True"

By Helen Steiner Rice

"Often your task will be many,
And more than you think you can do..
Often the hills insurmountable, too..
But always remember..

The hills ahead are never as steep as they seem,
And with faith in your heart, start upward
And climb 'til you reach your dream.
For nothing in life that is worthy
Is ever too hard to achieve
If you have the faith to believe..
For faith is a force that is greater
Than knowledge or power or skill
And many defeats turn to triumph
If you trust in God's wisdom and will..
There is nothing that God cannot do,
So start out today with faith in your heart
And climb 'til your dream comes true."

Presidents, please remember to check your manual given to you at District Convention as it relates to sending information to the District Chaplain. Please share the form with designated Pilots in your club so that you can let me know if there are Pilots who have lost loved ones or have other life situations such as illness and need to be remembered by our Pilots. We want to share these concerns in the Governor's Bulletin. You may contact me at (704) 932-6839; tutterow1946@yahoo.com; or 528 Collins Street, Kannapolis, NC 28083.
