Governor's Message

BELIEVE IN FRESH STARTS AND NEW BEGINNINGS.

HAPPY PILOT NEW YEAR! It seems like only yesterday that I wished those same sentiments to you as your Lt. Governor. As we begin the 2010-2011 Pilot year, I would like to express to the 2009-2010 NC DAC and District Coordinators my deep appreciation and thanks for all the hard work and hours they contributed to make this past year a wonderful success. Under the leadership of Past Governor Paula, we were motivated; we believed; we changed; we achieved and we had fun doing it.

What an honor it is to serve as your Governor this year. I take this honor seriously and will do my very best to represent you and our District. I have met some truly wonderful Pilots in this journey. The North Carolina District is rich with history and I believe that working together we will add good things to that history.

How do I say "thank you" to so many that helped create a wonderful memory for me. The installation service at District Convention is a memory that I will hold in my heart forever. I must offer a special thanks to Laura Keever, Peggy Gardner, Pam Carter, Julie Haigler, Amy Hurst, Helen Beaver, Delinda Rodgers, Grace Graham, Brenda King, Sue Frieze, Emily Rossow and all the members of the Pilot Club of Kannapolis for the special evening that you gave to all NC Pilots.

As approved at District Convention, the NC District Project Camp Carefree, started last year by Past Governor Paula, will continue for another year. Please look for details on the project and how you can work that into your club's Plans of Work for this year attached to this bulletin. **Volunteers need to apply by August 17, 2010!**

At a recent DAC meeting, DCRs were assigned to clubs and the format for Fall Workshops was started. You will hear more about these workshops after Pilot International Convention.

I offer heartfelt thanks and congratulations to each district coordinator, appointee, club president and club officer that agreed to serve in a Pilot leadership role this year. Your willingness to accept these positions show that you **"BELIEVE"** in Pilot.

Believe in fresh starts and new beginnings...we honor our past and look to our future. The present is now..."**BELIEVE**" that together through hard work, dedication and passion we can reach our destination. Through our friendship and service, we can show our communities the true meaning of Pilot.

In Pilot Friendship,
Mitzi

**From Anchor Coordinator
Roxane Dellinger, PC of Lincolnton**

I would like to thank all that helped me with my workshop at the district convention, especially Amy Hurst, Jenny Tippet and Laura Keever. All these Pilots shared great information about how their Anchor clubs were formed and how others are beginning to form. I, along with others have learned some good contact ways to get an Anchor club started and will be sharing those in the next month.

To bring everyone up to date, we currently have 13 Anchor clubs in NC District and 3 clubs are working to form an Anchor club within their group within the next year. We have a new Pilot International Anchor Coordinator, Bonnie Millrans. You can reach her by email at bonnie@pilotthg.org, if you need too.

I encourage all clubs to select someone as your Anchor Coordinator to either work with your current Anchor club to bridge the gap between the two groups or to help with starting to organize an Anchor club. Hope everyone has a wonderful 4th of July.

Sincerely,
Roxane Dellinger/PC of Lincolnton

THE CHAPLAIN'S CORNER

New beginnings are exciting! We start something new with feelings of anticipation and renewed commitment.

Remember the excitement of that first day of school? Making new friends, finding your classes, opening new text books filled with wonder, remembering your locker number, wearing new shoes?

This is a new Pilot year. Our capable officers and leaders are going to take us on a stimulating journey filled with new experiences. As Pilots, it is a chance to make this a time of rededication to our Code of Ethics and “work each day at that which is before us seriously, vigorously, calmly, cheerily.” Volunteer to do something you have never done before, sit in a different place, make a motion, lead a discussion, ask a friend to join you for a Pilot meeting, sign up for a marathon, attend a District workshop and convention. New challenges are a rewarding way to participate in Pilot. What better time to try something new than when you are surrounded by friends. Experience something new. You can IF you believe you can! This is the time to Believe and Achieve!

HAPPY PILOT NEW YEAR
Barbara
