Message from Your District Governor

Governor's Corner

Be The Change You Wish To See in The World

Hello Pilots!

I am so excited to be serving as your NC District Governor for 2026-2027! The International Convention is right around the corner, while your new DAC Officers are ready to work together and achieve common goals and aspirations to bring to you. At the International Convention we will see familiar faces, make new friends, and share our mission that unites us all. Together, we will take all of what we have learned, strengthen our membership and continue to shine our light to be of service for those to see the changes in the world.

Thank you to all that are stepping up to serve as Officers in your clubs! Plans are being made for Fall Workshop with things that you each can use to make a change in the world. The August bulletin will have information to share from International Convention along with information from other DAC officers.

July 2026 Inspiration Message

“We will Always Be Grateful for our Friendship”

As we travel our journeys through life, try to remember to be grateful for the things that are really important. We want you to know that one of the greatest blessings in our lives is the friendship with each one of you. You are the person who we call when we need to talk, and we know that you will be there sometimes just “to listen”. You are the person that we can laugh with about the most important life events. You “know me” and that saves words sometimes... we are so grateful to share a friendship with all of you.

As we start our new year, just remember that Pilot sisters are always just a phone call away to help, to listen or just be a shoulder to lean on.

Let me know of any prayer requests, happy moments you would like to share, milestones for your club or members or if you are just needing a little bit of TLC—we can do that.

Dear Pilots,

As we begin a new Pilot year, I want to thank you for the opportunity to serve as your District Treasurer. I look forward to supporting each club and helping us maintain a strong, transparent financial foundation throughout the year.

Please don't hesitate to reach out if you need anything as we get started. Wishing everyone a smooth and inspiring beginning to the 2026–2027 Pilot year.

Warmly,

Kimberly Oliver / NC District Treasurer
